Inside Scoop...

In 2020 our team of eight staff members, ten board members and 60 volunteers helped 1,249 animals through our sheltering, spay/neuter, microchipping, safety net, and adoption programs. In doing so, the Average Length Of Stay for animals at our shelter was 13.6 days and our Asilomar Live Release Rate was 99%! In 2020, of the 421 animals sheltered, 77% of cats and 85% of dogs originated in Chaffee County. Others received were relinquished by owners living in surrounding counties. Our community spay and neuter programs provided reduced or no-cost spay/neuter for 227 owned cats and dogs living in Chaffee County. In addition, 22 reduced or no-cost microchips were offered to owned pets. All 241 dogs and cats adopted from AVHS were spayed or neutered, up-to-date on vaccinations, and microchipped before leaving our doors. Our Return To Owner Rates for strays were 84% for dogs and 15% for cats; considerably higher than national averages. The year 2020 was unique, as Ark-Valley shelter closed its doors to the public in March in response to the COVID-19 Pandemic and shifted operations to foster-based and contactless services to protect our community. We increased our Safety Net Programs by offering a Community Pet Food and Supply Pantry that served 579 pets in 2020 and offered Pet Boarding for families in crisis. In partnership with Chaffee County Community Foundation we established a Community Pet Emergency Fund to assist families with the cost of life-saving emergency care for their pets. We continue to utilize AVHS South as an impound facility for law enforcement in Salida and southern Chaffee County.

With so many changes in 2020, we are now looking to 2021 to continue to embrace a foster-based model of care while expanding new and existing programs.

We look forward to expanding our Behavior and Enrichment Programs for shelter animals and for community pets, including dog training classes! We look forward to expanding partnerships with other shelters to grow our Transfer Program to receive more dogs and cats for adoption. We are excited to continue to reinvent our Volunteer Program to discover new ways for volunteers to care for animals, support our programs, and fundraise for AVHS. Our 2021 events will continue to be virtual. Bow Wow Film Festival was a huge success with over 15 sponsoring businesses and film goer-numbers that surpassed expectations and came from all over the country! We encourage you, your pet, or your business team to support AVHS by participating in this year's Tails on the Trail on May 16th. Look for a movie supporting AVHS at the Comanche Theatre this summer and more exciting new events! Your support makes a HUGE difference in the lives of so many animals and makes Chaffee County a great community to live in for people and pets alike.

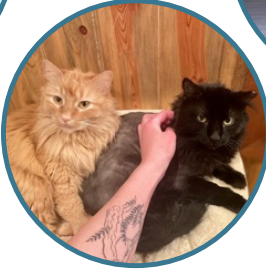

Sincerely,

Amber van Leuken
AVHS Executive Director

Thank you to everyone who adopted an animal this winter!

Community Pet Emergency Fund

In partnership with Chaffee County Community Foundation, this fund was established and seeded by Ark-Valley Humane Society to provide funding for life-saving veterinary care to Chaffee County pets.

AVHS Helps Cats In Need

In early January Ark-Valley Humane Society was called to assist with some animals in dire need in Salida. After a small house fire broke out in a home, first responders noticed that the cats living there were not in great health. 2 deceased cats were found with 9 living. They were in extremely sub-par conditions, many with months of feces still attached to their fur. Three AVHS staff members arrived to help get the cats into a safer place.

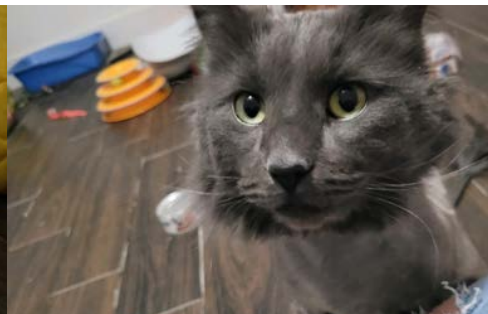

Unfortunately these cats were extremely under-socialized and fearful (understandably so), but after hours of work they were all safely transported to the shelter. Sadly, one of the cats passed away. After over two weeks of care we were able to place the remaining 8 into loving foster homes in pairs, where they have spent the past several weeks slowly learning to trust humans again. Three of the pairs have been adopted! We're extremely grateful to our fosters and fellow staff members who are spending time and care to help socialize these cats.

Mental health can affect people and their pets in many ways. When you can, check up on your neighbors, family, friends and their pets. You may be able to help more than you realize.

At the time of writing this, two of these cats (Smokey & Juliet) are still available for adoption together through AVHS, please check out our adoptable cats page if interested in learning more: ark-valley.org/adopt/cats/.

Juliet & Smokey, available for adoption!

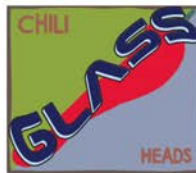

Virtual Bow Wow Film Festival was a Hit!

Even though we weren't in a theater filled with other animal lovers this year, our community still showed how much they support and care for the homeless pets of Chaffee County! It was our biggest year yet, with the film festival raising over \$3,500 for the Humane Society! Thank you so much to everyone who tuned in to enjoy these heart warming, dog centric films.

We can't wait to see what next years films bring and are hopeful we can enjoy them together in the beautiful SteamPlant Theater.

Special thanks to our amazing business sponsors!

**Commemorative
Glass Leaves &
Brick
Order Form**

Take advantage of this special opportunity to acknowledge your support of Ark-Valley Humane Society with a commemorative glass leaf or brick paver. The bricks will be on permanent display outside of the new addition to our Buena Vista Shelter. Commemorative Glass Leaves may be returned to you as a keepsake or may be displayed on the AVHS memorial Tree in the Memorial Garden. If you choose to keep your leaf, there is no additional cost to you, however your donation will be reduced by the cost of the leaf and shipping if selected.

A hand-crafted glass leaf memorializes or honors a loved pet. A brick celebrates a special donation, honors a long-time volunteer or memorializes a loved one!
