The Ark-Valley Humane Society Board of Directors is responsible for the general oversight of the organization. The Board is committed to ensuring **financial health** through effective management of resources and fundraising. In collaboration with the Executive Director, the Board engages in the ongoing evaluation of Ark-Valley Humane Society's programs, activities, objectives and goal setting to ensure that all undertakings support the organization's **mission**.

Our Mission

*Ensuring the welfare
of companion animals through
compassion and care.*

A Letter from the Executive Director

Last year, our team of nine staff members, nine board members, and 56 volunteers helped 1,833 animals through our sheltering, spay/neuter, microchipping, safety net, and adoption programs. In doing so, the average length of stay for animals at our shelter was only 18.4 days and our Asilomar Live Release Rate was 98.26%. Of the 677 animals sheltered, 75% of cats and 79% of dogs originated in Chaffee County. Others received were relinquished by owners living in surrounding counties or transferred in from shelters in need. Our community assistance spay and neuter programs provided reduced or no-cost spay/neuter for 231 cats and dogs living in Chaffee County. In addition, 21 reduced or no-cost microchips were offered to owned pets. Our community pet food and supply pantry served 900 pets, and 20 pets received free emergency boarding services. Additionally, all 458 dogs and cats adopted from the shelter were spayed or neutered, up-to-date on vaccinations, and microchipped before leaving our doors. Through our transfer partnerships with 14 shelters in Colorado, Utah and New Mexico, we were able to save 105 additional pets: 57 cats and 48 dogs. We partnered with local dog trainers to offer behavior intervention training vouchers for at-risk dogs and we partnered with Chaffee County Community Foundation to offer a community pet medical emergency fund. AVHS maintained operations in two facilities: our main facility in Buena Vista and a police impound facility in Salida, which received 54 animals. While seeing a lull in animal intakes in 2020 and 2021, last year our total shelter intakes surpassed pre-pandemic 2019 intakes. Additionally, our community support programs, aiming to keep pets and people together, continued to grow through the pandemic, and have become more robust, year over year.

A Mother's Love

Val and her nine puppies were brought to the shelter by good samaritans. They found this family in an abandoned home. Val was stick and bones when she arrived. She wouldn't have lasted much longer out on her own. Miraculously, her four-week old puppies were all healthy and happy, with full bellies. Val had given everything as a mother and ensured that her whole litter not only survived, but thrived. Our **foster program** placed Val and her puppies in a home together. When Val was ready for more solitude, they were placed in separate foster homes. After the puppies were big enough, the whole family returned and were all spayed and neutered through our **in-house spay/neuter program**. The puppies were adopted into loving homes. As it turned out, Val had already found her home- she won over the hearts of her foster family and they made it official by adopting Val in November. Usually this is where the story ends for us. However Val had a hard time adjusting to her new life. She was having behavioral problems, primarily around new dogs. This sweet and compassionate momma had been through so much, and her family wasn't going to give up on her. To support them we gave four private training sessions through our **behavior Intervention training program**. We hope 2023 is the best year yet for Val, and things only get better.

Betty & Archie were abandoned on a mountain pass.

They were two of many transfer pets given a second chance at life here in Chaffee County. In 2022 alone we transferred in **57 cats and 48 dogs** from 14 different transfer partners in New Mexico, Utah and Colorado. Our amazing community of volunteers, adopters, fosters, donors, and supporters make this all possible! Thank you!

Thank you, 2022 Donors!
