### Inside Scoop...

Snow has officially begun to blanket our valley as scents of hot cocoa, wood fire stoves, and hearty meals fill the air. With the cold winds of winter nipping at our heels, I would like to share our gratitude to those members of our community who brave this cold weather, making the dedicated journey to come to AVHS to volunteer and foster.

This year we have seen our volunteers and foster families step up to help the shelter in big ways. As we worked through our staff transition this fall, several of our longtime volunteers became trained as volunteer kennel technicians in our Adoptable Dog Room. They joined our staff each morning to help clean kennels, feed, and rotate the dogs into our outdoor yards. Additionally, our foster families took on challenges of bottle baby kittens and other animals with special medical needs. So far in 2023 there has been a collective 1.930 hours of time dedicated to the animals of AVHS by our volunteers alone- surpassing the total for all of last year by over 400 hours! Additionally, there have been a total of 213 foster placements so far this year amongst 150 unique animals.

Kitten Gabriella is one of the special animals who recently found herself in need of a loving foster family. She arrived at AVHS at only one day old after being found with several littermates, all wrapped in each other's umbilical cords, sadly abandoned by their mother. Upon arrival at AVHS these kittens were immediately placed into an experienced foster home. It is rare for orphaned kittens this young to live without their mother. Despite all efforts being made, Gabriella's littermates unfortunately failed to thrive over the next several days, until Gabriella was left as the sole survivor. This was a difficult time for our staff and fosters, but hope still remained for young Gabriella.

Caring for a kitten this young is no small feat; it requires around the clock bottle feeding, temperature controlled environments, and stimulating the kitten to help them go to the bathroom. We knew early on that working to save Gabriella would be a team effort. During her time with AVHS Gabriella was cared for by FOUR loving foster families. In each home she received love, and grew stronger. Our foster families would excitedly send updates to each other as she hit important milestones. like opening her eyes and walking for the first time. While Gabriella stole the hearts of us all, she ultimately found her home with her final foster family, and we could not have been happier! Gabriella worked to teach us all the true sense of community as our fosters and staff worked together to beat the odds for this sweet girl.

We thank our volunteers, foster families, and all within our local community and beyond, that work to ensure that all pets know love this holiday season. Thank you to those who attended our annual Open House in November. It was so fun and heart-warming seeing so many of you, and it always brings us joy to hear your stories and receive your photos and notes. Happy Holidays to you, your families, and your furry friends! We wish you a winter of good health and plenty of cuddle time with your pets.

Sincerely,

Nikhi Ritter

# First ever Doggie Paddle and Benefit from Mt. Princeton Hot Springs was a success!

We're incredibly grateful to Mt. Princeton Hot Springs resort for hosting this wonderful event for the pups of our community! Sixty-eight dogs got to romp around in their upper pools before they shut down for the season. Mt. Princeton generously donated 100% of ticket sales and 50% of food and beverage sales to AVHS from this event, raising nearly \$1,000 for homeless pets! Thank you!

# LaGrees Food Drive brings in needed cat and dog food, replenishing our community Pet Food Pantry!

Thank you to everyone who donated food to LaGrees Food Stores, benefiting Ark-Valley Humane Society. Over 725lbs of pet food was donated by our generous community. LaGrees then matched ALL donations- pound for pound, giving a total of over 1,450lbs of pet food! This not only helps feed our shelter animals, but also replenished our community Pet Food Pantry, which has served over 668 animals so far in 2023!

Moonlight Monday raises \$582 for Ark-Valley Humane Society, thank you to all who attended! Mark your calendars for next year's Moonlight Monday: November 11, 2024.
