Inside Scoop...

Our spring edition newsletter presents an ideal time to reflect on the number of animals helped through our community retention and shelter services in 2023. Last year, our team of eleven staff members, eight board members, and 70 volunteers, helped 1,546 animals through our sheltering, spay/neuter, microchipping, safety net, and adoption programs. In doing so, the average length of stay for animals was only 18 days and our Asilomar Live Release Rate was 97.1%. Of the 621 animals sheltered, 67% of cats and 82% of dogs originated in Chaffee County. Others received were relinquished by owners living in surrounding counties or transferred in from shelters in need. Through our transfer partnerships with 17 shelters in Colorado, New Mexico, Utah, Texas, and California, we were able to save 125 additional pets: 74 cats and 51 dogs. All 388 dogs and cats adopted from the shelter were spayed or neutered, up-to-date on vaccinations, and microchipped before leaving our doors. Additionally, our community support programs, aiming to keep pets and people together have continued to become more robust, year over year. Our community assistance spay and neuter programs provided reduced or no-cost spay/neuter for 264 cats and dogs living in Chaffee County. In addition, 10 reduced or no-cost microchips were offered to owned pets. Our community pet food and supply pantry served 643 pets, and 9 pets received free emergency boarding services.

We partnered with local dog trainers to offer 8 at-risk community dogs 16 individualized training lessons through our behavior intervention training program. We partnered with Chaffee County Hospitality to offer motel room stays for unsheltered individuals and their pets during the coldest nights of the year, offering 54 nights of respite and benefitting 9 additional community pets, and we partnered with Chaffee County Community Foundation to offer a community pet medical emergency fund that benefitted 22 additional community pets. AVHS maintained operations in two facilities: our main facility in Buena Vista and a police impound facility in Salida, which received 63 animals. **The success of our programs is possible thanks to generous support from our donors, volunteers, foster families, and partner veterinarians.** It takes a village to ensure the welfare of companion animals in our community, and together we continue to work towards a safe and humane world for all people and pets.

Sincerely,

Nikki Ritter
AVHS Executive Director

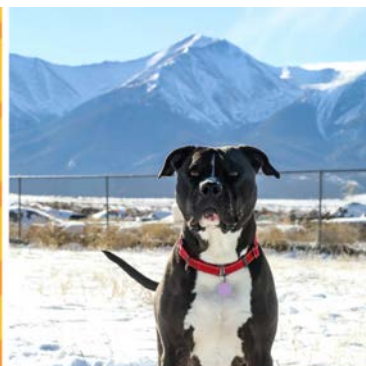

Happy Tails Photos!

Thank you to everyone who adopted an animal this fall!

Colorado Gives Day raises vital funds for AVHS

Thank you to everyone who donated this Colorado Gives Day! Over \$17,500 was raised by 167 generous donors for the homeless animals of AVHS. Your donations help us care for even more animals in need, we are endlessly grateful for your support! Pictured here is Louie, a longer stay shelter dog who was recently adopted into an amazing home!

Home For the Holidays Promotion

From November 15th through December 23rd, 2023, AVHS offered reduced adoption fees to help get more pets in homes for the holidays- all puppy and kitten adoption fees were half off and all adult animal adoption fees were 'pay what you can'. During this time 48 pets were adopted into loving homes, a few are pictured below!

Meet your newest animal welfare warriors!

One of the many reasons I love working at AVHS is seeing the differences we make in so many animals and people's lives. Whether it's the excitement of adopting a new pet or the excitement of a dog making advancements in training, we work hard to see these things happen so it's always exciting when it does!

Kiersten King

Animal Care Technician

One of the many things I love about working at AVHS is the opportunity to learn new things everyday - from getting to know more about our wonderful community programs, to picking up dog training and enrichment tips and learning about basic animal medical care from other staff! I've especially enjoyed the opportunity to train and assist with surgeries each week!

I get opportunities every day to help animals and humans during some of their most difficult moments; that causes me to feel connected to myself, coworkers, and the community.

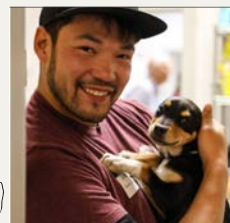

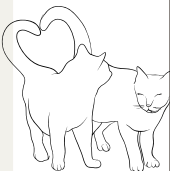

I like working at AVHS because it gives me an opportunity to provide a necessary service to the community! I feel like we do a lot to better the lives of Chaffee County's pets and pet owners alike.

I love the passion and respect the staff and volunteers demonstrate daily at the shelter. It truly makes for a rewarding place to work and serve!

AVHS Gives back to other shelters in need

In 2023 we transferred-in a total of 74 cats and 51 dogs. When we bring in an animal from an overcrowded shelter the animal has an additional "Give-Back Fee" added onto the price of their adoption. This is \$20 for dogs and \$10 for cats. 100% of the Give-Back Fees collected go to directly support the spay/neuter efforts of the overcrowded shelter that the transfer pet came from.

Left: Humane Society of Pikes Peak brings us transfer puppies. Middle: puppies found on side of the road in a box are transferred into AVHS. Right: AVHS van picking up transfer animals

While many pet owners find wonderful companions through animal shelters, it is well-documented that successful adoption programs alone will not solve the pet overpopulation crisis. Adequately funded spay/neuter programs have led to great success in reducing overcrowded shelter populations and increasing Live Release Rates/Happy outcomes for more adoptable animals.

In 2023 we donated a total of \$1,700 to 10 transfer partners across Colorado, New Mexico, Utah and Texas through these Give-Back Fees. Thank you to all who have adopted a transfer animal (and any pet, opening up kennel space for more animals in need!) to help support these efforts.

Commemorative Glass Leaves & Brick Order Form

Take advantage of this special opportunity to acknowledge your support of Ark-Valley Humane Society with a commemorative glass leaf or brick paver. The bricks will be on permanent display outside of the new addition to our Buena Vista Shelter. Commemorative Glass Leaves may be returned to you as a keepsake or may be displayed at AVHS. If you choose to keep your leaf, there is no additional cost to you, however your donation will be reduced by the cost of the leaf and shipping if selected.

A hand-crafted glass leaf memorializes or honors a loved pet. A brick celebrates a special donation, honors a long-time volunteer or memorializes a loved one!
